Conditions for the placement of Publicity Materials

1. Posters must be displayed on display boards designated by the IACM, and only one poster should be displayed in each location;
2. Poster size must not exceed 1 square metre, with length not more than 1 metre and width not more than 0.9 metre;
3. The posters to be displayed should not cover existing ones.
4. On the 14th and 30th of each month, the existing materials on the placards will be removed by a cleaning company and this will not be responsible for verifying the period authorized for display of posters. That is, remove all the posters even if they are allowed to be there affixed to a date subsequent to the date of removal.
5. The applicants have to observe the approved time-limit for the respective installation. They are required to dismantle the publicity materials before the day following the expiry of the approval.
6. The IACM will make appropriate allocations of space and quantity for applications for placement of advertising materials based on actual usage;
